Classic Cars

1957 ASTON MARTIN MK III - SOLD.

Incredible barn find.

Rare left hand drive 1957 Aston Martin Mk III Drophead in unrestored condition. This amazing barn find is incredibly solid and complete. There is only minor rust on the firewall. There are some insignificant dents but overall the seams and gaps are very good. The engine turns freely. All original tools are in the engine compartment tool carrier. This car is a great candidate for restoration.

Serial Number: AM/300/3/1713

Odometer: 53,737 miles

Price: SOLD.

49 East Broad Street
Hopewell NJ 08525
