

Aston Martin MKIII Saloon. LHD. Matching numbers.

In need of restoration. New to Sth California. Build sheet available. Originally Peony (Red) with Beige interior.

An excellent car for events and tours. Early Astons are eligible for just about everything.

No accident damage. Virtually rustfree California car. Good projects are becoming harder and harder to find.

Interesting early history. Badges under the bonnet from the following events.

1963 Watkins Glen Grand Prix.

1959 Highland Touring Club Concourse. San Francisco area SCCA.

1959 Concourse d' elegance. Concord, Ca.

1959 May 22, 1960. Abingdon rough riders Club. Concours D' elegance. 3rd in class.

1966 SCOH Autocross III.

Old Monte Carlos badge and RAC badge on the Grill.

Looks like it saw some good use in its early years.

A lovely survivor. Please email for more details.
