DB MKIII Saloon

One of only 260 such cars with factory overdrive and disc brakes from new. Owned by one person for 45 years, it is now subject to a total rebuild by ourselves to the ultimate standard.

The car will be available in a choice of left or right hand drive with options of any body and interior colour scheme. There will be a choice of engine specification, suspension upgrades and axle ratio.

A very special Aston Martin with a wide range of options to suit every requirement.

- Bead blasted and powder coated chassis with 2 pack black finish
- Rebuilt inner body frame and powder coated finish
- Rebuilt aluminium body skin
- Painted to the very highest standard in full choice of period colours
- Full heat and sound proofing throughout
- Total re-trim in the very best hides and Wilton carpets
- Complete new electrical system and upgraded to alternator system and negative earth conversion
- Headlamps upgrade for better visibility
- Totally rebuilt instrumentation with improved backlighting
- 2 speed wiper upgrade with intermittent facility
- Rebuilt rear axle upgraded to limited slip, stronger halfshafts and choice of ratio
- New front and rear upgraded hubs

- Suspension upgrade incorporating anti-roll bar, springs, suspension camber and new design shock absorbers
- Borrani wheels (5x16) chromed and polished rims
- Upgraded brakes
- High capacity radiator
- Twin exhaust system
- Competition overdrive

Engine options to include:

- Steel crankshaft
- Steel conrods
- Upgraded clutch and flywheel
- Omega pistons
- Fully gas flowed cylinder head
- Large valves
- High lift camshafts
- Triple 45 DCOE Webbers
- Full flow oil cooler

Full 12 month parts and labour warranty.

Please contact Adrian Johnson at Post Vintage or alternatively on 07973 472595 to discuss your requirements
