Aston Martin DB4/2 111 for renovation For Sale (1958) [edit C70459](#)

[Get Insurance Quote](#)

[Get Finance Quote](#)

This car is a rare opportunity to acquire the classic James Bond car and comes complete. Some parts have been restored to working condition. It has not run for a long time but it has been garaged over the past twenty years. It has had the same owner for the last forty years. Although there is some body work required the chassis appears to be in a solid condition. Would make a loving project for any Aston enthusiast, must be seen.
