Vehicle title: Clear
Condition: Used
For sale by: Private seller

Features

Body type: Coupe	Engine: 6 Cylinder	Exterior color: Other
Transmission: Manual	Fuel type: Gasoline	Interior color: Black

Description

Vehicle Description

You are bidding on a 1957 Aston Martin DB2/4 Mk2 saloon. This is an original matching number car, that runs, drives, stops, and steers. The bodywork is sound and stripped of paint. I stripped the car of paint some years ago, and carried out all the necessary bodywork. I found myself unable to get the paintwork done, so I re-fitted all the trim, and drove the car for a whole year, covering about 2500 miles. I then parked the car in my garage to wait until I could get the car painted. Other ventures took all of my time, so I have reluctantly decided to sell the car. The interior is quite good with a lovely original patina, perhaps just needing a new headliner, and some other minor trim work. It has a clear California title, and is currently on a non operational status. This is an old car, and as such carries no warranty of any kind. Please feel free to ask any questions before bidding. The winning bid is a contract to complete the purchase of this car. A 10% down payment is required within 3 days of end of auction, and balance to be paid before car is released, and within 2 weeks of end of auction. This car is advertised elsewhere, and I reserve the right to end auction early if car is sold.

Questions from other members

Q: The picture of the chassis plate is not very clear, could you please email the #s. Any reason the car is no longer a driver - engine, brakes, clutch??...[more](#) Answered on May-24-08

A: The chassis # is AM300 1293, engine #VB6J916.I stopped driving the car after a motorcycle accident which left me with a leg injury making it difficult...[more](#)
