Vehicle title: Other
Condition: Used
For sale by: Private seller

Features

Body type: Coupe	Engine: 6 Cylinder	Exterior color: Other
Transmission: Manual	Fuel type: Gasoline	Interior color: Other

Options

Leather seats

Description

Vehicle Description

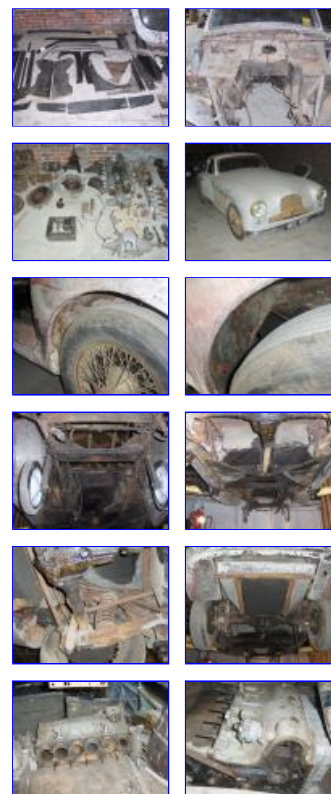

Here is your chance to buy what is rapidly becoming a blue chip investment in post-war motoring history. As I have too many cars in restoration at this time, some of my collection needs to be sold off. This car appears to be extremely solid and the restoration fairly easy and straightforward, but not for the amateur. With these cars restored properly reaching now more than \$200K (yes, it is true) and climbing, it is definitely worth the investment necessary for a high point restoration. The pictures tell the story quite well, but please ask any questions you may have and I will be happy to answer. The car is probably 99% complete. The engine has been disassembled and needs a complete rebuild. The interior is all there. The leather, in my humble opinion, should be restored rather than replaced. Originality is irreplaceable. Dashboard complete with all gauges intact. Body panels are straight, gaps are correct. Aluminum body is excellent but needs professional prep for paint. Doors complete and excellent. All glass fine. You are always welcome to come to beautiful Rhode Island to see this diamond in the rough in person. Bid with confidence. ATTENTION: No title as of now, but can obtain original documents from England and/or title from the state of Rhode Island if needed. Otherwise sold with Bill of Sale only. A complete, running engine (3 liter) and transmission might be available for sale separately (expensive).
